

## FAQ'S

### What is the platform fee ?

1

1. For 1 Month internship program the Fee is INR 300 (One Time Fee)
2. For 2 Month internship program the Fee is INR 399 (One Time Fee)
3. For 3 Month internship program the Fee is INR 450 (One Time Fee)

*(This is the only payment there is no need of any payment for accessing any resources from zidio like courses, materials etc. The fee is fully reinvested in your development. Zidio does not keep any part of it.)*

### Purpose

2

As outlined in our application form, a nominal fee for live training and platform access is required as a commitment to effectively utilize our resources and successfully complete your internship. We invest significantly in our internship program to provide you with a top-quality experience, and this small fee helps us maintain the high standards of our offerings.

### Job Guarantee

3

As promised, successful completion of the internship will guarantee you a 100% job offer from ZIDIO. We will assess you throughout the program and ensure you are industry ready. the fee is part of the commitment to your future employment and professional growth.

### Refund Policy

4

Rest assured, this fee will be fully refunded along with your stipend upon completion of the internship.

## FAQ'S

### This Fee Includes:

5

1. Live training from starting of your internship to end, by industry experts.
2. • Zidio learning Platform Access.
3. • Training and Learning Materials.
4. • Training session Recording Access anytime.
5. • 24/7 Support for any issue related to your internship.

### Internship Details

6

- Start Date: 20-June-2024
- Weekly Hours: Flexible working hours
- Compensation: INR 1000- 12000/Month based on performance (Indian currency)
- Location: Remote/Work From Home

### Team Allotment:

7

After accepting your offer, you will be assigned to a team of 5-7 members. Your team will then receive the project details, followed by your training schedule. All necessary information will be provided to you by 18th June, with your internship starting the next day.

### Training

8

In the training program we will assign to your team an expert trainer so they will train you on the project basis like how to do the project, what to do, where to start everything from starting of your internship to end, you will be getting weekly 3-4 classes each will be of one hour and the project timing is completely flexible it's up to you that how much time you are giving to complete the project. This training is integrated with your internship to ensure you are well-prepared, as many interns may not have prior experience working directly on live projects. Rest assured, we will fully support you in learning and applying your skills effectively during this internship.

## FAQ'S

### Learning Platform

9

As part of the internship you will get access to the learning platform after your acceptance of offer, in the platform you will be getting courses, materials, assignments, exams and many more.

### About the work

10

Based on the internship program you selected, we'll assign tasks that align with your tech stack. Our goal is to include group projects in the program, aiming to foster a team-oriented environment and facilitate the creation of new connections. We will share detailed work details prior to starting of your internship.
